The juniors have what it takes

The juniors have worked hard at S-L
and it shows.
They've gotten to know the school very well
and have made friends with many students
as well as teachers.
They only have one more year after this one,
and they're trying to keep it
from slipping by too quickly.
Southfield-Lathrup is great -
and juniors help make it that way.

Seniors are totally awesome

We are coming back for the
last time from what seems like
a short summer. We come back to
S-L with senioritis on
our minds. Then we get
down to work.
We work in school and at home
to reach our future goals.
With work and luck,
we pass all the classes we
thought we would fail.
Soon comes the day when
we can say, "I've done it,
I've earned it!
I've graduated!"

1985-86 SENIOR CLASS BOARD: FRONT ROW: Eric Kovan. SECOND ROW: Dawn Bujarski, Laura VanBuskirk, Emily Holzman, Deb Mindell, Jill Blade, Laurie Sherman. The average student looking through this yearbook will find little details that make this book special. Many hours of hard work went into this by our SMALL staff and ESPECIALLY Mrs. Cip. We set our goals high and worked our hardest to achieve them. Hopefully, you, as the reader will be influenced to do the same throughout your life. So go out and do your best to "Break The Record."
